

COVER LETTER - PCT Application Submission

To: Receiving Office / International Bureau

Subject: PCT Application - Priority Document Retrieval Request via WIPO DAS

Dear Examiner,

This submission relates to the international patent application entitled:

"TRYONME-TRYONYOU-ULTRA-AVBET - Ultra-Plus Intelligent Fashion Production and Recommendation System".

The Applicant hereby requests that the International Bureau retrieve the priority document from the WIPO DAS system using the following reference:

- Priority Application Number: PCT/EP2025/067317
- DAS Access Code: D9F9
- Priority Date: 19 June 2025

All documents enclosed in this submission have been prepared in compliance with the formal requirements of the Patent Cooperation Treaty (PCT) and the European Patent Convention (EPC) regarding margins, typography, and format. Drawings are in monochrome, A4 format, with reference signs in the prescribed size and clarity.

The Applicant kindly requests confirmation that the priority document has been retrieved and linked to this international application.

Sincerely,

Ruben Espinar Rodriguez

Applicant / Inventor
